

Application for Acupuncture Endorsement

CHIROPRACTORS
REGISTRATION BOARD
OF VICTORIA

2007

Those registrants who wish to have their existing registration endorsed so that they may practice Acupuncture and be exempt from the provisions of the Chinese Medicine Registration Act 2000 and the Health Professions Act 2005 should apply to the Board in writing. The minimum educational standard for such endorsement is currently the Master of Applied Science (Acupuncture) offered at RMIT.
